#### ➤ **Ask The Funeral Director**

We are excited to announce our new monthly segment in the Tri County News, "Ask The Funeral Director." The purpose of "Ask the Funeral Director" is to give people an opportunity to ask questions about anything they want to know regarding funerals or any aspect relating to funeral service. In addition to answering questions we will also be writing about a variety of different topics. You may send your questions to us via postal mail or email ([wieting@excel.net](mailto:wieting@excel.net)) or you may also "tweet" your questions to us on Twitter @wietingfuneral or through facebook at [facebook.com/wietingfh](http://facebook.com/wietingfh). All names will be kept confidential.

#### ➤ **Wieting Family Community Room**

We recently started offering the use of our Wieting Family Community Room to the public. The room can be used free of charge for meetings of civic or church groups, wedding or baby showers, anniversary parties or any kind of gathering or get together. Since the announcement, we now have two groups that are using the Community Room on a regular basis. Our modern facility with ample parking, offers all the amenities and comforts of any social gathering place, complete with kitchen facilities and appliances. Food and beverages are able to be catered in from any local caterer or restaurant or may be brought in by the individual group or party. To schedule a tour or set up a date for a meeting or gathering please call (920) 894-4943.

#### ➤ **Holiday of Remembrance Memorial Service**

On Sunday, December 4<sup>th</sup>, we held our first Holiday of Remembrance Memorial Service, lead by Rev. Fred Coleman of the Kiel Alliance Church. The service consisted of comforting readings and songs and was designed to honor and remember our loved ones who passed away this year. Each family received a personalized ornament as a gift from the Wieting family. After the service everybody was invited into the Community Room for refreshments and conversation. Many family members commented about how wonderful the service was and how much it helped them to cope with the grief they are experiencing this holiday season. We are sure to be holding the Holiday of Remembrance Service next year and for many years to come. For pictures of the service please visit our facebook page.
